From The President

This month's newsletter is going to be a bit smaller than normal. Our president is undergoing knee surgery at the time I am writing this Presidents Report. Dick had postponed this surgery for awhile but it was inevitable that the day would come when the level of pain would make the decision.

April is the kick-off month when our snowbird friends are beginning to prepare for the annual pilgrimage to their northern homes. We wish them a safe journey and look forward to their return in the fall.

Meanwhile, those of us who live in Sun City Center year round need to keep in mind that the KINGS POINT AMATEUR RADIO CLUB and the SUN CITY CENTER AMATEUR RADIO CLUB and CERT must be ready for the kinds of emergencies that summer brings. There will be practice drills and instructional sessions on both repeaters. Stay tuned. **(Editor)**
